### **Volume 05, Issue 11: Love Came Down**

As we approached the Christmas season this week, there was talk about all the fuss. The question is not whether to celebrate Christmas or not. The question is how to celebrate. What to wear, what to eat, the decorations to put up, where to go, etc. Those are details. Jesus is the reason for the season.

We celebrate Christmas because love came down. Jesus is the game changer. A savior is born to us, Jesus, the King of Kings and the Lord of Lords.

We have reason to thank God for his mercy today because our Lord Jesus Christ is born, born to save us. Our Messiah is born! Peace and goodwill to all men.

Any measure of human love pales in comparison to the love of God. God's love for us is unconditional. His love never fails. It never gives up. It never runs out on us.

God demonstrated his love to us by giving us Christ to die for us while we were yet sinners. Jesus was the Christmas gift, and the way back to God.

The greatest gift you can get this Christmas is knowing the love of God. Knowing beyond head knowledge, being able to say from deep within your soul that "Jesus loves me, this I know."

Lift up your praise this Christmas season because love came down. I could praise him till the sun goes down. I was there when his love came down. The savior came and took my place, changed everything.
